August 26, 2022

Dear USPATH Colleagues,

I would like to announce a very special effort we are taking to increase equity and representation of people of color at the 2022 Conference, in USPATH, and in the field of transgender health.

Using the USPATH President's Discretionary Fund as seed funding, we will be awarding stipends in the amount of \$1200 USD to two (2) current USPATH Student Members who identify with a non-white race or ethnicity, who are attending the 2022 Symposium, live in Montreal.

Awardees will be chosen by random drawing. We hope that this pilot effort will lead to further avenues through which we can support equity, inclusion, and the professional development of a pipeline of tomorrow's leaders from communities of color. If you meet these criteria, please [click here](#) to apply today. Deadline to apply is Friday, September 2, 2022.

We encourage those who wish to support future such efforts make a donation to <https://www.wpath.org/donate>. I am looking forward to seeing you all in Montreal!

In solidarity,

Maddie
