

USPATH 2025 Scientific Symposium
GEI Advanced Mental Health
Friday, September 26, 2025, 8:30 AM – 5:00 PM

Designed for mental health professionals who have completed the WPATH GEI Foundations Course, the **Advanced Mental Health Course** offers a deeper exploration into the nuanced and evolving landscape of gender-affirming care. This interactive training addresses complex clinical considerations and highlights best practices for supporting transgender and gender diverse (TGD) individuals with co-occurring mental health needs.

This course supports clinicians in building confidence and cultural awareness while offering practical tools for advancing affirming, ethical, and person-centered care.
